Dear Parents and Students,

Once again we arrive at the last newsletter for the term. Congratulations to all students for their excellent reports. We look forward to seeing parents at the interviews tomorrow.

“TASTE OF DARNUM”:
Thankyou to all parents who donated items and/or time to last Saturday’s event. All money raised from these events goes directly to purchase items for students, such as our giant chess sets, playground and classroom games and materials. A great effort, thanks!

REPORT INTERVIEWS:
We remind all parents that it is essential to be on time for your interview tomorrow. Teachers will need to stick rigidly to interview times to avoid delays in other classes. If you arrive early you are most welcome to grab a ‘cuppa’ from the staffroom. Remember: **No school** for students tomorrow.

LAST DAY REMINDERS:
Friday is the ‘Jump Rope for Heart’ day and we hope lots of parents can come along to watch and join in at 12.30. Please note that school finishes at **1.30pm** and there is no After School Care available.

AS well, Friday is a **FREE DRESS** day - we’d like students to wear something ‘sporty’ to join into the jump rope fun!

NEXT TERM:
Hot lunches continue each Wednesday. We begin work on our school production “Superkids” and events such as hooptime basketball begin.

On behalf of all the staff, school council and students, we hope you enjoy the winter break and we look forward to seeing you on Monday 16th July.
Regards Chris & Staff

**JUMP ROPE FOR HEART**
Our Jump Off day is on Friday. The children will be participating in Jump Rope activities from 12.30 - 1.30. Parents and friends are encouraged to come along and support the children and, hopefully, join in.
A reminder that sponsorship forms can be returned any time until Friday July 20.
Hello
It is the last week of term
YEAH AAA
Make sure you are aware that there is no school on Thursday and make sure you know your interview times that came on your reports so the teachers don’t have to be waiting around for your parents.
Last weeks riddle answer:
A. Skipping Rope
This weeks riddle:
I am something that most teachers don’t like
Your parents look at me and you can too.
What Am I?

BABY STICK INSECTS
Due to a recent population explosion there will be baby stick insects available to anyone wanting a fantastic new pet after the school holidays. These have been a fantastic class project for Mrs Smithett and her classes over the last few years and have proved to be one of the quietest, most interesting, least smelly and easy to care for pets we have ever had!
All that is required is an escape proof container, like an old fish tank or something similar around 30cm. It can be made of glass or plastic but the lid needs to be mesh for good ventilation. A jar with some gum leaves and a spray bottle is also needed. Then all you need to do is replace the leaves weekly and spray them morning and night with water. Older kids can also learn to handle them safely and enjoy watching them double in size each time they shed a skin. A fact sheet can be supplied with them but if you have any questions or would like to know more, please contact Cherryn Attwell on 0407 343 383.
