Dear Parents and Students,

Last Friday’s group day was a great success. Thank you to all the staff and schools for running this event and to parents for organising transport to the venues. It was terrific to see how many students dressed up in their countries colors too. Well done!

**CONCERT NEWS:**
With a month to go, we will be working full swing in a grade levels. Our concert is a huge undertaking and we really need the assistance of parents to make it work. To start with, please note the following:

1. Could you please send NOW a named supermarket style recycle bag (ie Coles green bag) for each of your children. Their costumes and props will be placed into these bags.
2. Prep Girls:- Girls in grade prep need to also supply bathers or leotards in any any color to be worn under costumes. Please send them in the green bag a.s.a.p.
3. Raffle Hamper: We ask each family to donate a small item to make a hamper or two for the raffle. Food, wine, toys - anything suitable would be great! Raffle tickets will come home from next week.

**PRODUCTION INFORMATION:**
The production will be presented at the Drouin Secondary College Auditorium on Wednesday September 12th. All students are involved. There will be two shows - a matinee at 2.30 and a night show at 7.30pm.
There will be no hot lunch day OR After School Care available on that day. Children will go home between the two shows. On the night there is a gold coin donation to attend. The raffle will be drawn at the start of the evening performance. A ticket system will be used to ensure we have adequate seating available. To enable us to begin the ticket system please return the attached form by next Thursday (24th August). Once we have all forms back, we will issue your tickets. Please encourage grandparents etc to attend the matinee as the night performance is likely to fill up with direct family members.

**HOT LUNCH PROGRAM:**
Could parents please check if they are on the roster each week. To assist this we will include a weekly roster reminder in our newsletter. If you are unable to attend, please contact Irene Crawford as soon as possible.

**HEAD LICE:**
Please check your child/ren for head lice, we have had a few sightings.

Regards Chris & Staff
Hey peeps Caps here
Good job for dressing up on the group day on Friday. I also hope the kids who went on Somers Camp are enjoying themselves, they left on Tuesday.

This week’s joke: (Dedicated to Mr Eeles)
Mummy, mummy I don’t want to go to school today because all the kids are picking on me.
“Well darling you have to go to school you’re the principal
