Our grade six students will be attending several transition, orientation and cluster days as they lead up to year seven in 2014.

**ACTIVE AFTER SCHOOL SPORTS:**

Maria has reported that the programs have started off very well. Coaches have requested that all children bring a water drink bottle to the classes please.

**PARENT OPINION SURVEYS:**

Could anyone who received one of these please send them back by next Monday, 12th. Thankyou for your participation.

**LOST PROPERTY:**

Can all parents please check the names on your children’s jackets. Several new ‘named’ ones have gone home with the wrong students recently. All jackets are required to have names clearly marked please.

**FRONT DISPLAY BOARD:**

In an effort to ‘spruce up’ the school notice board, the School Captains have been given the responsibility to display items from the various grade levels. Each display will last approx. two weeks. The captains will also be happy to display community events, lost and found items etc - please drop them into the office!

HELP! HELP! HELP!

Teachers of the junior grades are currently increasing their classroom teaching resources. We would greatly appreciate help from anyone who is able to assist with photocopying, laminating, cutting etc. Whilst some of this work would need to be done at school, where possible parents would be welcome to take it home to do. We would be grateful for any assistance, whether it be 10 minutes or assistance on a regular basis. Please see Kris, Sharon or Laura if you can help. Thanks

Hi Everyone,

This week in After School Care we have had a lot of fun using dress ups and playing make believe. We also spent a lot of time with the musical instruments, lego, colouring outside in the playground and some really cool ball games plus many, many more fun things.

If you would like to join the fun in After School Care please contact Sharyn at the office.

REMINDER:
For parents of children who are not coming and have booked in for the night, you will be charged for the service unless you are able to give the school notice before 3pm on your booked day.
GRADE 5/6 WARRAGUL REGIONAL COLLEGE VISIT

Last Friday, the grade 5/6’s from the Mt Worth Cluster went to Warragul Regional College. They did the Amazing race. In the Amazing race, we had to explore the school and find out 10 questions about it that had shown that we explored it. We had sausages for lunch. There were 10 helpers and they lead the sessions. They had a motto. It was Care - Community - Achievement - Respect and Effort. It was a great day. By Brylie & Hunter
