Dear Parents and Students,

The big news at school this week is that Laura Droppert announced that she and her husband John are expecting their first child, due in early February next year. Best wishes from all of us for this exciting news, Laura.

‘LEARNING SHOWCASE’:
In Last week’s newsletter we provided you with information about our very first learning showcase for parents on Wednesday August 19th. Your child will bring home a personal invitation for you this week, however please note some minor changes from last week’s notice.

1. Time - although we plan to finish the evening event around 7.30pm the event may go later due to the range of activities. This will give you an opportunity to experience all of the specialist areas.

2. Due to time factors, we will not run Japanese activities on this night. Instead we plan to hold a special Japanese day in term 4.

The Showcase is divided into two parts
Part 1 - CLASSROOM SHOWCASE - 2.30pm - 3.30pm
Classrooms will be open to parents to visit to see how classes operate at our school. You are welcome to visit all classrooms and join in a variety of activities.

Part 2 - SPECIALIST SHOWCASE - 6.15pm - 7.30pm
This begins in the Multipurpose room with your child presenting musical items from Mrs Nicholls music program. Following this, there will be a range of interactive activities in Science and MARC Van.

Parents of children are encouraged to visit each Specialist area. It’s a great opportunity to meet our specialist staff personally, see inside the MARC van and experience many of our wonderful classes.

Tea/coffee/cordial will also be available.

Please note this event is by invitation to parents only. Siblings may also attend (under supervision of parents) There will be the normal opportunity for grandparents etc. to attend our school at the Writer’s Café in Term 4.

‘SCIENCE NEWS’:
Mrs Moorehouse will be showing several documentary videos and the Disney movie ‘Dinosaurs’ (Grades 4/5/6 only). All relate to the current *dinosaur* theme in science. These are rated PG. Contact Chris if you have any concerns.

Regards Chris & Staff

‘HOOP TIME REPORT’:
Congratulations to all our grade 3/4 hoop time basketball players for their enthusiasm and behaviour last Thursday. We certainly needed to rug-up in the cold stadium but it was a terrific day for everyone and we look forward to the grade 5/6 event on Thursday 27th August.

Thank you to all the people that donated fruit to the SRC and we really appreciate it and it helped us raise $146.

‘STUDENT ILLNESS’:
The cold wintery weather has certainly brought a range of illnesses to our school. Our district is experiencing a large amount of colds and flue’s as well as stomach upsets. Please discuss with your children the importance of washing hands with soap, not sharing food etc.
