

# Grade 2 News!

## Maths

We have been learning to flip and slide 2D shapes.

In Miss Laidlaw's maths group we are learning about hundreds and thousands. In Mrs Mynard's maths group we have been ordering numbers from smallest to biggest and finding numbers before and after.

## Glen Cromie

Yesterday Darnum PS kids and our families went to Glen Cromie for a picnic. We went there for fun. First I travelled to school and drove on the bus that would take us to Glen Cromie. Then Daisy and I twirled to the playground and laughed until we fell down. Next I did a couple of cartwheels. After that I had yummy snack. Later in the day I had lunch. Then I went swimming in the dirty freezing water. Finally we had icy-poles and they were hard. At last we went home! It was fun!

Mala

## Literacy

We have been learning to read and write the 'oi' sound using oi, oy and uoy.

We have been learning to use time connectives like first, then, next, after, eventually and finally.

We have been learning to write a recount and to make it more interesting using adjectives and verbs. Our orientation needs to say who, what, when, where and why.

We have been practising our handwriting.

We have been talking about characters, settings, problems and solutions and coming up with ideas for problems for our characters.

We have been learning to read with fluency and expression.

## Other News

We have been learning to use the catastrophe scale to help us work out how bad something is and what to do about it.
