Dear Parents and Students,
Welcome to Jan Mills who is filling in for Sharyn as she recovers from her recent knee operation. Jan will be in the office on Mondays and Wednesdays over the next few weeks. See Chris or the teaching staff at all other times.

AFTER SCHOOL CARE (A.S.C.):

Darnum Primary School runs an After School Care program from 3.30pm to 6.00pm Monday to Thursday nights. We run this program as a non-profit service for our families. To ensure the future of this service I encourage families to make use of it, even on a casual basis. The cost is very low at \$15.00 per child and some rebates apply. Please contact the office for full details.

PARENT OPINION SURVEY:

Each year the Education Department send out surveys to parents to enable schools to provide the best service to their communities. We include all new families and a random sample of established families in our yearly surveys. Please complete and return to the office before the end of July thankyou.

“TIQBIZ”:

A reminder to all families to please ensure you join the Darnum Primary School TIQBIZ  app on your smartphone/tablet or via your home computer as it is now our main form of emergency and reminder communication to parents. If you have any enquiries or problems downloading, grab a brochure at the office or see Chris.

Cross country 2015

Last Thursday I went to Cross Country in Melbourne. It was the State Championship. I was happy that I got that far. It turned out to be a great day. It was fun to be there and I hope I get to that stage again. There were some fantastic runners there. I came 62nd. I had to run 2 kilometers and it seemed easier than other stages.

Dear Families,

Next Thursday the 30th of July, we are going to be celebrating 100 days of learning for this year.

To mark this achievement, we are going to be having a whole day of celebrations based around the number 100! As part of this day, all children in Prep and Grade One are asked to dress up to celebrate the number 100. This could be either as what they think they will look like when they are 100 years old or something to do with the number 100.

Children also need to bring in 100 of something interesting that must fit in a zip lock bag (which will be provided).

Don't be afraid to be creative!

We look forward to seeing the many different outfits.

There will be a parade at the beginning of the day to show off your costumes.

Thank you,

Prep Big Write.

When I woke up I said WOW! and bumped my body until I tried. Then I sneaked out of bed and went on an adventure to India and lots of people crashed into me and it was fantastic.
Daisy

When I woke up I did not know what was going on and my bed is invisible and what do I do? I sat on a seat and read.
Ella

If I was invisible I will be surprised. I will not see my hands. I will be naughty. When I go to school I will not go to school because I will be naughty.
Caitlyn

I might go to bed and someone will push me out of bed.
Tom

If I was invisible I would steal someone's motorbike.
Brody

I had a dream and it was about me being invisible, but in the morning I was invisible and I yelled out NO, but I was still invisible. I didn't like it, but it was a dream.
Keirly

WHAT! I'm invisible today. AHH! Now I play tricks on people and then I stole a key, then the car and then I drove home.
Matthew

If you could be invisible for a day, what would you do?

I will be in the clothes hiding and I will eat Mala's sandwich and my wish will come true.
Leah

I was invisible and I played tricks.
Ruby

When I woke up I was invisible for a day and when it was snack time I moaned, so Matthew would turn around and he looked at the cows and then I moved Matthew's sandwich.
Liam

I want to be invisible because I want to spy on some people. I want to spy on some people. I want to spy on Laylah and Sydney and Nana and my dad and my mum and Matty and Harvey and Brody and Tom.
Brock

I lost my legs. I can't find them.
Lily

I woke up and I saw I was invisible and I was happy, happy, happy. I want to play tiggy and hide and seek.
Mackenzie

I was invisible and then I bumped into someone.
Jorgie

If I was invisible I want to scare people if they are mean to me. My wish came true when I woke up. I was invisible and then I got Leah's sandwich. Then Leah told on me, but they didn't see me. Then I sneakily went back home.
