Dear Parents and Students,

After a month away on my 4wd adventure it was great to be back and see everyone ready for the start of term. This term is certain to be an exciting time with many activities and events leading up to the end of the school year.

FIRST OF ALL:

A huge thank you to the Keeble family who spent time during the holidays planting our the entire front of the school with ground cover plants - we really appreciate your efforts!

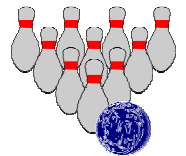

HATS:

We remind parents that for the next two terms, students are required to wear hats outside. Any broad brimmed or bucket style hat is suitable (no caps). A good idea is to have another spare hat in your child's bag in case they forget their main one. Please also ensure your child's hats are clearly and easily marked with names, badges or decorations to assist identification.

GRADE 2/3:

Ten - pin bowling - This free program starts on Friday 16th and runs for four weeks. Children in those grades will bring home a permission/information note this week. Please return the note by next Wednesday 14th October.

DARNUM MEMORIAL:

The RSL are constructing a new war memorial in front of the Darnum Hall. This will replace the small memorial next to the highway. I am pleased that this has occurred as the old site was unsuitable for our students and community to attend ANZAC and Remembrance ceremonies. The RSL are holding a dedication and official opening on Sunday 8th November at 11.00am. They have asked for any families/students to attend and sing the National Anthem. Please assist if you are able.

OCTOBER:

October is 'Walk to School' month. We will hold our official day on October 30th - the same day as our bandanna day. Full details soon but we'd like to encourage everyone, where possible, to walk or ride to school during term four.

Regards Chris & Staff
